Team Captain Update
April - June

GO TEAM BLUE - Say Hello to the new county look.

A huge thank you to Anne Smith (Foxes Archery Club) for organising the new county tops; it was not an easy task.

The new tops are made out of a lighter material so are more suitable for layered or thinner for the hot summer.

EMAS Inter counties clout

A great start to the season with the team placing:
Compound - 2nd
Recurve - 2nd
Barebow - 3rd

WINDY WELBECK

The county match against Nottinghamshire went ahead on the 26th May. Due to very windy weather it was cancelled after 8 dozen arrows and the scores were taken up to this point. Nottinghamshire took the win with a score of 10227 compared to L&R 10169.

RECURVE MIXED TEAM WIN EMAS INTER COUNTIES

Congratulations to the Leicestershire Mixed Recurve team for their win at the EMAS Inter-Counties Double 720 on the 2nd of June.

Results: Leicestershire - 3265
Nottinghamshire - 3150
Lincolnshire - 3144

National Counties Team Tournament

Well done to the teams for their shooting at the National Counties Team tournament! We finally had some great weather, even though it was a little too hot. The teams overall placed in the following:

- Gents recurve - 4th
- Gents Compound - 7th
- Ladies recurve - 10th
- Ladies Longbow - 4th

Success Stories

A huge congratulations to Bowman of Rutland's James Mason on his selection for GB for the world cup stages at Shanghai, Antalya, Turkey and Berlin as well as the world Championships in the Netherlands.

And congratulations James for winning mixed team Gold with GB in Berlin.

Also to Lizzie Warner on her selection for the GB senior team for the world cup in Berlin and the European youth cup in Roumania.

Congratulations to Arthur Coveney and the Gents Recurve Team (Arthur Coveney, Chris Cooper and Ben Evans) for winning Gold at BUCS Championships

According to BUCS website it's been 20 years since an individual medal has been won by a Loughborough Student and the only other time their men's recurve team placed first was in 1983.

EMAS championships Anne Smith placed 1st in Ladies Recurve. Ben Trudgill, Carol Smith & Paul Seaton won silvers and Aaron Waddington a bronze.

Megan Havers under 12 and overall Girls Recurve Champion at the Junior Masters.

Megan Havers and Grace Coulam are National Junior Champions!

Congratulations everyone!!

Get involved in competitive archery!

How can you get involved in competitive archery? A few clubs around the county host short distance rounds that can be a great start.

Kirby Muxloe Evening shoot!

Kirby Muxloe hosted their very first evening shoot on Thursday the 6th June, the round, a Short National. Why am I raving about it? These kind of shoots are a great way for less competitive/ experienced archers to get involved in county archery. Shooting in relaxed, friendly matches can be a great way into the competitive side of the sport.

Upcoming

Check out the Fosse Company of Archers Western round on the 25th August for another great opportunity to take part in another short distance round.

Get your entries in for the L&RCAA Outdoor Champs!
