Lady Paramount: **Sarah Warner**

Scoring: **Paul Agar**

Tournament Organisers Report:

This shoot caused me a few headaches with a couple of judges having to be replaced at short notice. Andrea Hammond stepped in for one and as late as Friday night Gill Millward confirmed her attendance. JIC Geoff what a trooper, been ill for past couple of weeks but still turned up. Without our judges these shoots can't go ahead with world or UK record status. So a big thank you too you all and anyone involved with judging.

I would like to thank all involved with helping put this tournament on. All the Kirby Muxloe members who helped set up the hall on Saturday. The field party who again did a great job all day. The catering team who as usual worked tirelessly all day long keeping us fed in cakes and hydrated. The raffle ticket sellers who persuaded you to part with the pennies.

Mel Warner, Carol Smith and Anne Smith for help in checking every score sheet. You are all advised to make sure you check your scores before signing but we still found quite a few that were under scored, unfortunately you have signed so you lose out on valuable points. This could be costly, as in the Gents recurve our Champion under scored by 2 points and only won by shooting 1 extra gold. Remember check before you sign.

I would like to thank Sarah Warner for agreeing to be our Lady Paramount.

Finally all you the archers who make it worthwhile putting these shoots on.

Paul Agar
